

48/4885 "He is Risen" Paper Plate Cross Craft Kit

Be sure to have adult supervision if using a hot glue gun for this craft.

1. Glue the paper plate cross to the center of the small purple plate. Glue a yellow foam triangle outside each corner of the cross.
2. Glue a flower to each set of foam leaves. Glue the four completed flowers, foam banner, and foam bird to the cross as shown.
3. Thread the eight pony beads onto the satin cording. Tie a knot on each end of the cording to keep the beads from falling off. To make the hanger, glue the two knots to the back of the purple plate. Separate the beads so that four beads hang on each side of the cording as shown in the picture. Allow time for your craft to dry.
