

48/4986 Paper Plate Bunny and Chick Easter Basket Craft Kit

Be sure to have adult supervision if using a hot glue gun for this craft.

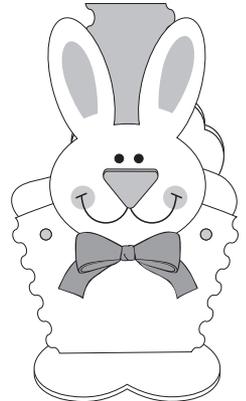

Chick

1. Fold all four sides of the paper plate up towards the center of the plate. Using the side with three holes in the plate, overlap the corner of a two-holed side so that the outside edge holes align. Place a brad through the hole and press the brad ends out and down to secure in place. Repeat with the remaining sides.
2. Position the orange paper handle over the two center holes and secure into place with brads.
3. Glue the orange foam beak to the chick's head. Glue the completed head to the orange paper handle as shown.
4. Glue the green bow below the chick's head. Glue the foam feet to the bottom of the paper plate as shown.
5. Glue the yellow foam tail to the back of the basket. Allow time for your craft to dry before using.

Bunny

1. Fold all four sides of the paper plate up towards the center of the plate. Using the side with three holes in the plate, overlap the corner of a two-holed side so that the outside edge holes align. Place a brad through the hole and press the brad ends out and down to secure in place. Repeat with the remaining sides.
2. Position the pink paper handle over the two center holes and secure into place with brads.
3. Glue the pink foam nose to the bunny's head. Glue the completed head to the pink paper handle as shown.
4. Glue the aqua bow below the bunny's head. Glue the foam feet to the bottom of the paper plate as shown.
5. Glue the white foam tail to the back of the basket. Allow time for your craft to dry before using.
