

48/5752 Foam Bug Magnifying Glass Craft Kit

Please be sure to have adult supervision if using a hot glue gun for this craft.

Butterfly

1. Glue the foam eyes to the top of the handle just below the round magnifying glass. Glue the orange foam circles down the front of the handle below the foam eyes.
2. Glue one blue, one pink, and one yellow foam circle to each purple foam wing. Glue one yellow printed foam wing to the top of each completed purple foam wing as shown.
3. Glue one completed wing to each side of the orange foam circles as shown. Allow time for your craft to dry.

Dragonfly

1. Glue the foam eyes to the top of the handle just below the round magnifying glass. Glue the green foam circles down the front of the handle below the foam eyes.
2. Glue one small printed foam wing to one large printed foam wing as shown. Repeat for the remaining two foam wings.
3. Glue one completed wing to each side of the foam green circles. Allow time for your craft to dry.
