

48/5914 Foam Silly Monsters Magnets Craft Kit

Be sure to have adult supervision if using a hot glue gun for this craft.

HELPFUL HINT: You may trim down the pieces of marabou to the size you want for your monster.

Purple Monster:

1. Punch out small teeth and glue those and the other set of teeth onto the mouth printed on the purple body. Glue the piece of candy corn on the mouth as shown.
2. Position green marabou behind the wiggle eyes, glue on first and then glue the eyes on top. Glue on yellow pom-pom nose.
3. Take the green arms and punch out, and the orange/black horns and punch out. Glue the horns, arms and orange legs to the purple monster body.
4. Glue the orange pom-poms onto each horn and glue the 3 pieces of purple marabou trim onto each of the 3 orange legs.
5. Allow the craft to dry and glue the magnet onto the backside of the monster. Be sure to test for the magnetic side before gluing magnet on.

Orange Monster:

1. Punch out small teeth, glue those and the other set of teeth onto the mouth printed on the orange body as shown.
2. Position purple marabou behind the large wiggle eye, glue it on first and then glue on the eye.
3. Position yellow arms, purple wings, yellow/black legs and yellow/black horns and glue onto orange body.
4. Glue the purple pom-poms onto each horn.
5. Allow the craft to dry and glue the magnet onto the backside of the monster. Be sure to test for the magnetic side before gluing the magnet on.

Green Monster:

1. Glue red tongue onto mouth printed on green body. Punch out small teeth and glue those and the other set of teeth onto the mouth and tongue. Glue yellow candy piece onto tongue. See illustration below.
2. Take the 3 purple "c-shaped" pieces and glue onto the top of body as shown below. Position and glue orange marabou on top of these pieces. Next glue the 3 eyes on top. Glue on orange pom-pom nose.
3. Take the purple arms and the orange/purple legs and glue onto the green monster body.
4. Glue the 4 yellow feet onto the orange/purple legs.
5. Allow the craft to dry and glue the magnet onto the backside of the monster. Be sure to test for the magnetic side before gluing the magnet on.
