

48/6144 Outback Rainstick Craft Kit

1. Glue the foam shapes any way you like to the green cardstock.
2. Roll the cardstock into a tube. Secure tube by inserting the tabs into the pre-cut slits on the cardstock. Glue tabs to secure in place. Place a lid onto one end of the tube and glue to secure. Set the tube upright and pour the beads into the tube. Place the remaining lid onto the open end of the tube and glue to secure.
3. Glue about 20 to 25 pieces of raffia around the edge of each lid on both ends of the tube. Glue the brown foam strip around the edge of each lid on both ends of the tube. Allow time for your craft to dry.
