

48/6180 3-D Foam Lantern Craft Kit

Be sure to have adult supervision if using a hot glue gun for this craft.

1. Glue two short blue foam stripes and two long blue foam strips to each yellow paper window as shown. Glue one completed paper window each of the notched sides.
2. Assemble the four notched sides. You may glue to secure. Glue one black foam square to the top and bottom of the four assembled sides.
3. To make the two foam fireflies, glue the green foam tummy to the printed blue foam body. Glue the printed yellow foam tail to the back of the printed foam body as shown. Glue the completed body to the small printed foam wings. Bend one blue chenille stem in half. Curl each end of the chenille stem and glue the folded end of the chenille stem to the back of the foam firefly as shown. Glue each firefly to the foam lantern.
4. To make the two foam dragonflies, glue the yellow foam tummy to the printed purple foam body. Glue the printed green foam tail to the back of the printed foam body as shown. Glue the completed body to the large printed foam wings. Bend one purple chenille stem in half. Curl each end of the chenille stem and glue the folded end of the chenille stem to the back of the foam dragonfly as shown. Glue each dragonfly to the foam lantern.
5. Glue the black foam hanger to the top of the lantern as shown. Tie the yellow ribbon hanger to the black foam hanger. Allow time for you craft to dry.
