

Pinwheel & Star Template Instructions

tools needed(not included):

scissors

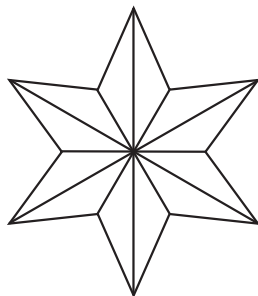

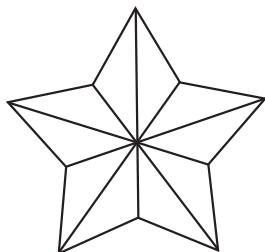

pencil

bone folder

scoring tool

brads

hole punch

Star Template

1. Trace around the template lightly with pencil.
2. Using a scoring tool, score the inside lines of the star.
3. Cut out the star shape.
4. Using a bone folder, fold all scored lines.
5. Fold the star to make each long scored line fold up and each short scored line to fold down.

Pinwheel Template

1. Trace around the template lightly with pencil.
2. Cut out the pinwheel shape.
3. Using a hole punch, punch out the holes as indicated.
4. Working clockwise, match up the holes on the edges of the pinwheel to the hole in the middle of the pinwheel. Insert brad.
5. To make a fuller pinwheel, put two pinwheels together.
