### HERE'S HOW YOU DO IT

2. Cut a strip of patterned paper. Cut a length of ribbon and adhere the ribbon to the top of the patterned paper strip making sure to wrap the ends of the ribbon around the back of the paper strip. Adhere the strip to the front of the purse. Repeat this step for the back of the purse.
3. To create ribbon handles, cut off the handles of the paper purse. Cut two 6" lengths of ribbon and adhere the ends to the inside of the paper purse.
