

## Stamped Popcorn Boxes

### HERE'S WHAT YOU NEED:

- 3/3586 Red Popcorn Boxes
- 65/66192 Orange Ribbon
- 65/60084 Solid Color Paper
- 65/80378 Clear Stamp Kit
- 65/80009 Pop-up glue dots
- Plain white printer paper

### HERE'S HOW YOU DO IT:

- Step 1: Cut a circle out of white paper and a circle out of the color paper. Make the color paper circle slightly bigger, so that when placed under the white paper it creates a border.
- Step 2: Use the stamps to decorate the white circle of paper. Be creative!
- Step 3: Glue the white paper to color paper.
- Step 4: Wrap ribbon around the popcorn box
- Step 5: Using the Pop-Up Glue Dots, place the round tag you have just created on top of the ribbon on the front of the popcorn box.
- Step 6: Place the personalized sticker on the front.
