Top 5 Corporate Fundraising Ideas

Pie Day

Employees put money in the jar of the executive they want to see get a pie in the face. You can also auction off who gets to be the pie thrower.

Jeans Day

Minimum donations qualify employees for an extra jeans day during the week.

Catered Lunch

Invite employees, clients and vendors to attend for a reasonable price per head.

Donate PTO

Allow employees to donate their PTO days to the cause. The company then donates what the employee would have earned for the day.
