

13745208 Tree of Thanks Foam Frame Magnet Craft Kit

1. Peel and stick the foam tree to the front of the foam frame as shown. Adhere the foam leaves to the frame.
2. Turn your frame over. Use the foam strips to adhere your photo to the back of the frame. Use the double sided foam strip to adhere the magnet to the back of the frame. Be sure to test for the magnetic side before you adhere it into place.
