STEP 1: Holding Component A (with the non-printed side facing you), push the tab at the top forward. Flip A around and fold the small side tabs upward as shown.

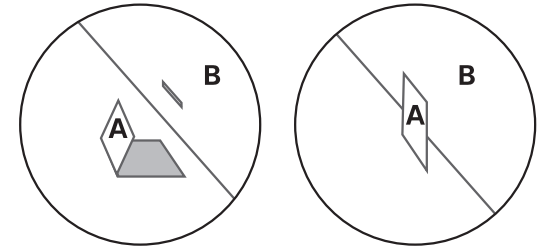

STEP 2: Insert the tab on A through the bottom slit on the non-printed side of Component B.

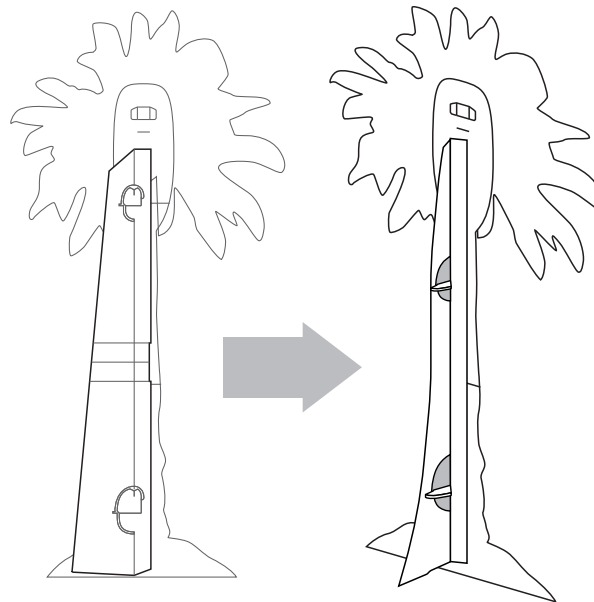

TIP: The printed sides of A and B should be facing the same way.

STEP 3: Fold the tab on A upward and insert into the top slit on B.

STEP 4: Fold out the support stands on the back of component A and fold down the notches to hold the stands in place.

Your Stand-Up is Finished!
