

48/4710 Cork Reindeer Ornament Craft Kit

Be sure to have adult supervision if using a hot glue gun for this craft.

1. Glue four cork legs to the bottom of the large cork body as shown. Glue foam tail to the back of the cork body.
2. Glue the wooden nose to the front of the cork reindeer head. To make the antlers, fold the long brown chenille stem in half. Twist the two small chenille stems to either end of the long chenille stem. Glue the completed antlers, foam ears, and satin ribbon hanger to the back of the reindeer head as shown.
3. Carefully poke the wooden stick into the top of the wooden body. Carefully poke the head to the top of the stick as shown. Allow time for your craft to dry.
