

## 48/6586 Smile Face Fleece Pillow Craft Kit

1. Lay one printed fleece panel on top of the other printed fleece panel making sure that the print is facing right side out.
2. Start in one corner, begin tying the fringe pairs together, leaving about 6" untied.
3. Separate the fibers of the stuffing to make it more fluffy. Stuff the pillow through the 6" opening. Tie the remaining fringe pairs together.
