

Light Bulb Penguin

1. Paint a light bulb black leaving a white circle for this tummy.

2. Cut feet and a beak out of the orange foam.

3. Cut a piece of felt for the stocking hat. Cut half away through the felt to create fringe for the stocking hat.

4. Glue on the beak, feet, eyes, and hat. Tie a ribbon around the top of the stocking hat.

5. Have fun with your penguin friend.

Name: _____

Instructions: Color the penguin below and then answer the questions about your penguin.

If you had a penguin...

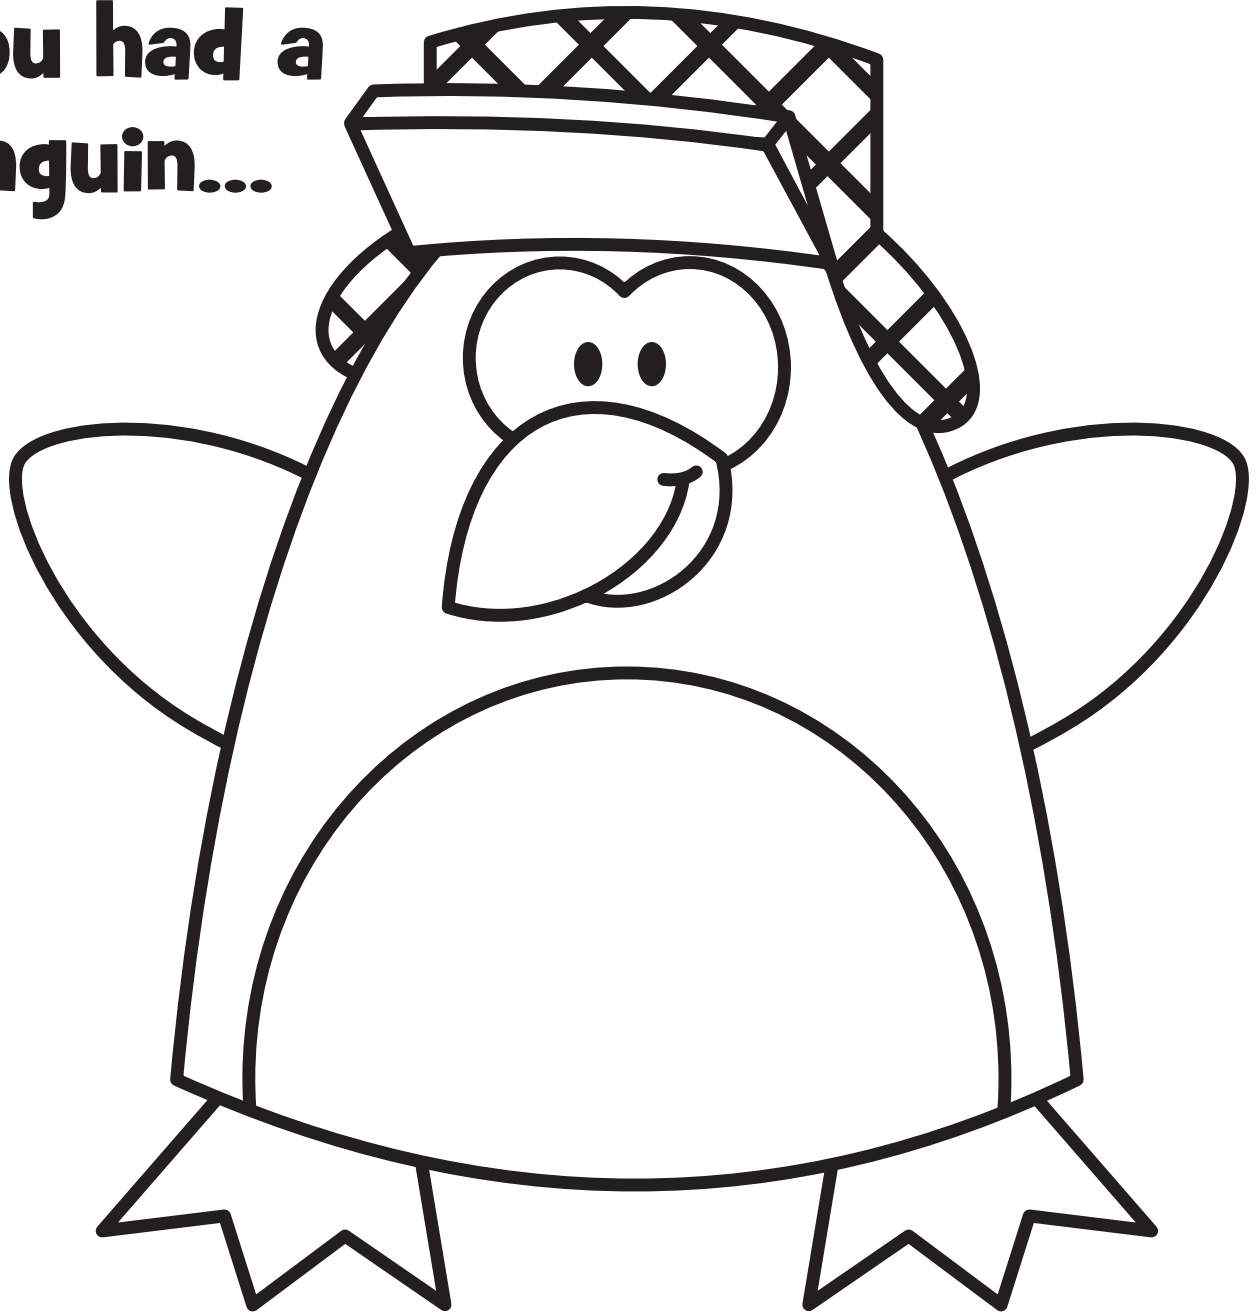

What is your penguin's name? _____

What do you and your penguin like to do together? _____
