Jewel Tone Coil Bracelet

"Eye-catching" doesn't begin to describe the amazing colors contained in this bracelet. Easy to make and even more fun to wear, no one will doubt your inner party animal is ready to come out and play!

Skill Level: Beginner

Estimated Time: 20 minutes

Techniques Used: Charm Dangles

HERE'S WHAT YOU NEED:

68/85015- Jewel Tone Bead Assortment

48/3200- Memory Wire

68/26536- Translucent Bead Mix

68/26504- Millefiori Round Beads

68/26276- Metal Square, Oval & Bicone Beads

68/26441- Round Bead Mix

68/45018- Silvertone Head Pins

HERE'S HOW YOU DO IT:

1. Using round nose pliers, create a loop at one end of the memory wire, secure loop with flat nose pliers.
2. Add one bead from the translucent bead mix
3. Add one bead from the Millefiori Round beads.
4. Add one bead from the Round bead mix.
5. Add one bead from the Jewel Tone bead Assortment.
6. Add a metal bead from the square, oval and bicone bead mix.
7. Repeat steps 2-6 until the wire is full- leaving 1/2" of wire.
8. Once wire is full, create a loop with round nose pliers at the end to secure beads.
9. Using head pins, and the bead mixes, make 3 charm dangles.
10. Attach 2 dangles to one end loop of the bracelet, and the other dangle to the final end.
