Rustic Wedding Favor Frame

Skill Level: Easy

Time: 45 mins

Helpful Tip: Not all lines need to be used on our personalized items. We used our envelope seals to create the tags for this project by requesting only the first line be personalized with the word 'wishes'. Show your creativity!!

Steps

Step 1: Cut the 3/4" wide ribbon into 3 1/2" strips and cut the ends as shown. Adhere a 2 1/2" strip of adhesive to the top, center of a mini bucket. Adhere the cut ribbon to the bucket. Adhere a personalized sticker to the bucket as shown.

Step 2: Cut lengths of twine and attach to the back of the frame, making sure to measure the distance between two vertical buckets before attaching the twine

Step 3: Insert the Jordan almonds into the buckets and attach the buckets onto to the twine with a clothespin.
